Reflections Of Gale-Ettrick High School

Educational systems in America are continually changing, and Gale-Ettrick High School is no exception. New techniques and ideas in learning are being applied and old methods are being improved and up-dated.

At Gale-Ettrick a vocational coordination program has been put into effect. In its final stages, it will enable a high school student who has completed the program, to go directly from high school graduation into industry.

In an effort to further world relations and promote communications among different countries of the world, the American Field Service is being re-organized at Gale-Ettrick, thus bringing a foreign exchange student to Gale-Ettrick in 1972.

The world situations such as the Mid-east conflicts and Southeast Asian war, as well as the elections held in the 1970-1971 school year, involved Gale-Ettrick students and gave them the chance to exercise their citizenship.

Reflections on 1971 are as many and as varied as the number of students at Gale-Ettrick. Reflect a moment, wont'you. . . . ?

Dedication

Mrs. Elaine Nelson, graduate of Galesville High School with a Bachelor of Science degree from Wisconsin State University--La Crosse is presently working on her Master degree in English. Mrs. Nelson, with previous teaching experience of nine years, is completing her seventh year at Gale-Ettrick. She was selected to serve on a state advisory committee for curriculum planning and development in the field of English. She is currently serving on a committee of eight secondary teachers of English who are working on a new training program for student teachers in English with Wisconsin State University--La Crosse.

In addition to her superlative work in English and Speech; she does an excellent job with forensics, her students having won many conference titles.

Her students say that, if it were possible to describe Mrs. Nelson in just one word that word would have to be "dedicated." [illegible] classroom teaching, forensics, National Honor Society, Gale-Ettrick Redmen and Charlie Brown. Her dedication reaches her students when she [illegible] of their ability and rarely is the "best" not attained.

To Mrs. Nelson, for her unending work and interest in young people, we dedicate the 1971 Arrowhead.

PEANUTS drawing by staff artist with apologies to Charles M. Schulz and Courtesy of the Minneapolis Star and Tribune -- ©United Feature Syndicate, Inc. 1950.

ACTIVITIES & ORGANIZATION

A Time For Us

"A Time For Us" expressed the feelings of prom couples who danced and dreamed to the music of the Buddy Frank orchestra while simulated columns, stained glass windows, real trees and a pond stocked with live trout provided all the romance and beauty of the days of Romeo and Juliet.

King Mike Baer and Queen Lanie Mryland led the Grand March followed by their court, Mark Alvarez and Karen Olson, Orie Elstad and Anita Dick, Bob Oines and Rhonda Truax, Paul Sacia and Maria Alvarez and Tim Twesme and Julie Truax.

TOP: Julie's at it again!

BELOW: Prom Court Leads the Grand March.

Yearbook Staff Sets Pace

The 1971 yearbook staff has presented to the school a plaque with the names of the co-editors or editor of the yearbook engraved on separate plates in memory of our 1968 yearbook editor, Vernon Jacobs.

Striving to meet the high standard of editing that Vernon Jacobs achieved is, and will be, a constant challenge to every yearbook editor who follows him. The task is great but the rewards are many.

Congratulations and thank you to Renee Berg and Linda Enghagen for a job well-done in '71.

Mrs. Hanson, advisor

Belonging Is An Honor For N H S Students

The members of the National Honor Society continually strive to uphold their high principles of character, scholarship, leadership and service. Through this constant striving, they function as food citizens in their community, responsible members in their families, and intelligent, mature students in their school.

Acting as guides during Parent-Teacher Conferences and ushers during graduation week, the members were of service to their school.

The 1970-71 National Honor Society officers were Linda Enghagen, president; Bob Oines, vice president; Kim Cantlon, secretary; and John Byom, treasurer.

Council Open New Doors

Student Council
An affiliate of the Wisconsin Association of Student Councils, the Gale-Ettrick Student Council strives for organized government and understanding between students and administration. Such things as dress guidelines and other student grievances are brought to the attention of the Council, discussed and then carried to the administration.

The 1970-71 school year was filled with planned activities and school services. Besides maintaining the pop machine, the Council kept the Student Directory up to date. They also took part in school candy sales and began plans for an outdoor athletic scoreboard.

Homecoming week was planned by the Student Council, with a parade, bonfire and sock hop. Jim Johnson coordinated the activities and kept things running smoothly.

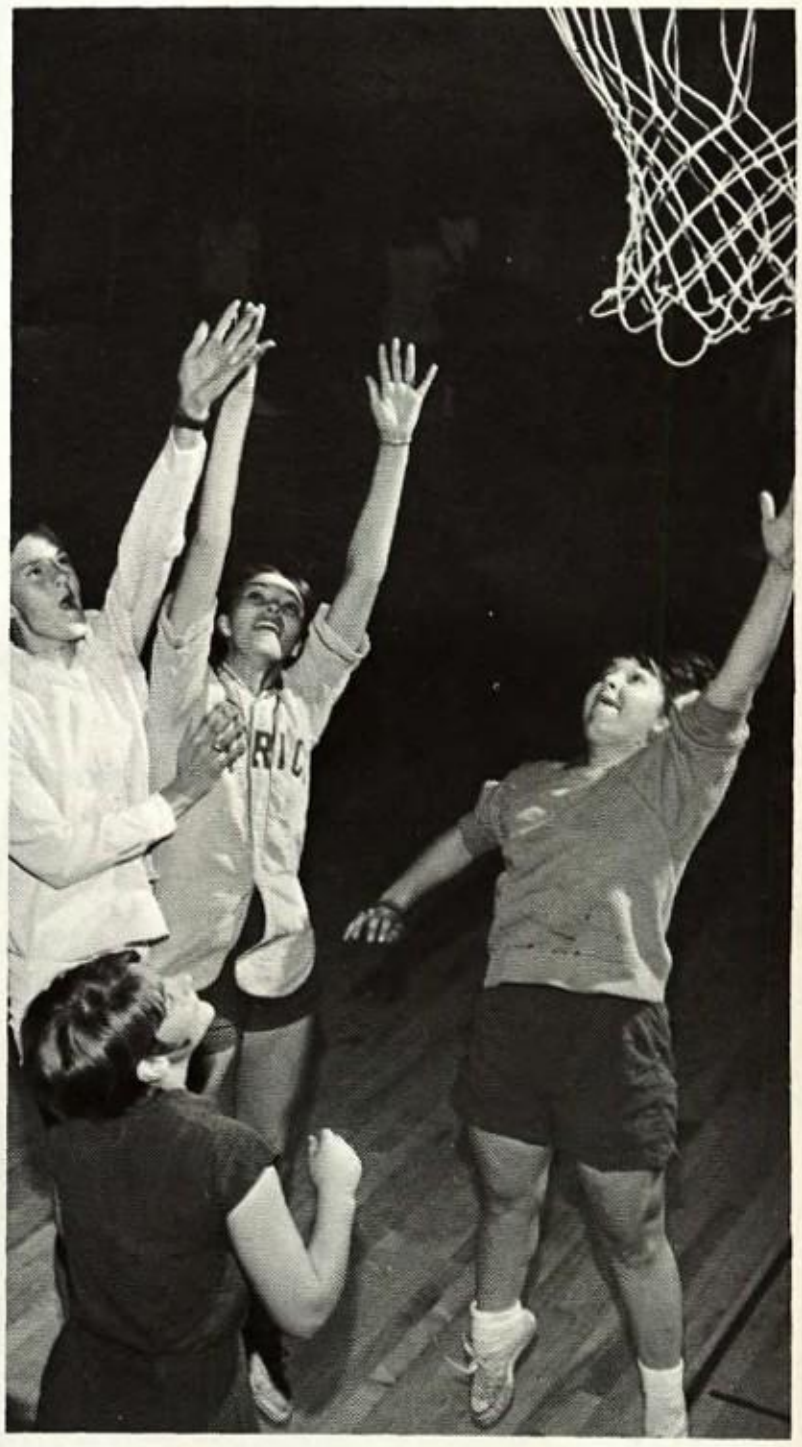
At Christmas time, a movie, "With Six You Get Eggroll", was shown, and refreshments were served to the student body.

Throughout the 1970-71 school year, the Student Council was under the leadership of Tim Twesme, president; Steve Scheller, vice-president; Anita Bishop, secretary; and Steve Schreiner, treasurer.

RIGHT: Student Council officers fill pop machine.

Ranting And Raving For Fun

LEFT: G. A. A. Officers: K. Olson, E. Clark, S. Baer, R. Docken, Miss Nyseth. LOWER LEFT: Were putting it all together. BELOW: Don't get caught defenseless.



Throughout the year, girls can be seen participating in after-school games of basketball, volleyball, softball, tumbling, bowling and badminton. These activities are sponsored by the Girls' Athletic Association, whose purpose is the planning of individual and group recreation for its members.

Always keeping in mind that exercise and sports are essential parts of education, the GAA plans activities to support this purpose, but at the same time they have fun.

S. Baer, L. Sacia, B. Bahnub, M. Smith, K. Collins, K. Butman, B. Aasland, B. Smith

"Stable Home — Stable Life"

Starting off their year, the Gale-Ettrick Future Homemakers of America again sponsored a food stand at the home football games. Hundreds of enthusiastic, but chilled-to-the-bone football fans frequented the stand.

Ten freshmen girls were initiated into the chapter on October 26, with a tea held afterward for the mothers of the members. On November 4, Gale-Ettrick was host to the annual Fall District Rally in their area. Girls from five schools attended the meeting, at which the guest speaker was Mrs. Carl Nordhagen from the Trempealeau County Hospital. Her speech was based on the rally's theme of "Happiness Is. . . " Other activities sponsored throughout the year by the FHA chapter were trick-or-treating for UNICEF, packing cookies for Gale-Ettrick servicemen, sending Christmas presents to the Sparta Children's Home, entertaining the patients at the Trempealeau County Hospital, and awarding prizes in the conservation speech contest, at the Junior High level.

The 1970-71 chapter was under the guidance of its advisor, Mr. J. Jacobson and its officers Kathy Collins, president; Kathy Butman, vice president; Mary Smith, secretary; Barbara Aasland, treasurer; Sue Baer, parliamentarian; Beth Bahnub, degree chairman; Becky Smith, Historian and Laurie Sacia, recreation leader.

Using their state projects of "Environmental Pollution--Our Challenge" and "Stable Home--Stable Life" as guides for their activities, the FHA provided constructive group projects as well as recreation. They held business meetings and ceremonies, but there were popcorn parties and a Christmas pizza party, too.

Through their Future Homemaker activities, the members are well on their way to becoming responsible members of families, communities, and of America.

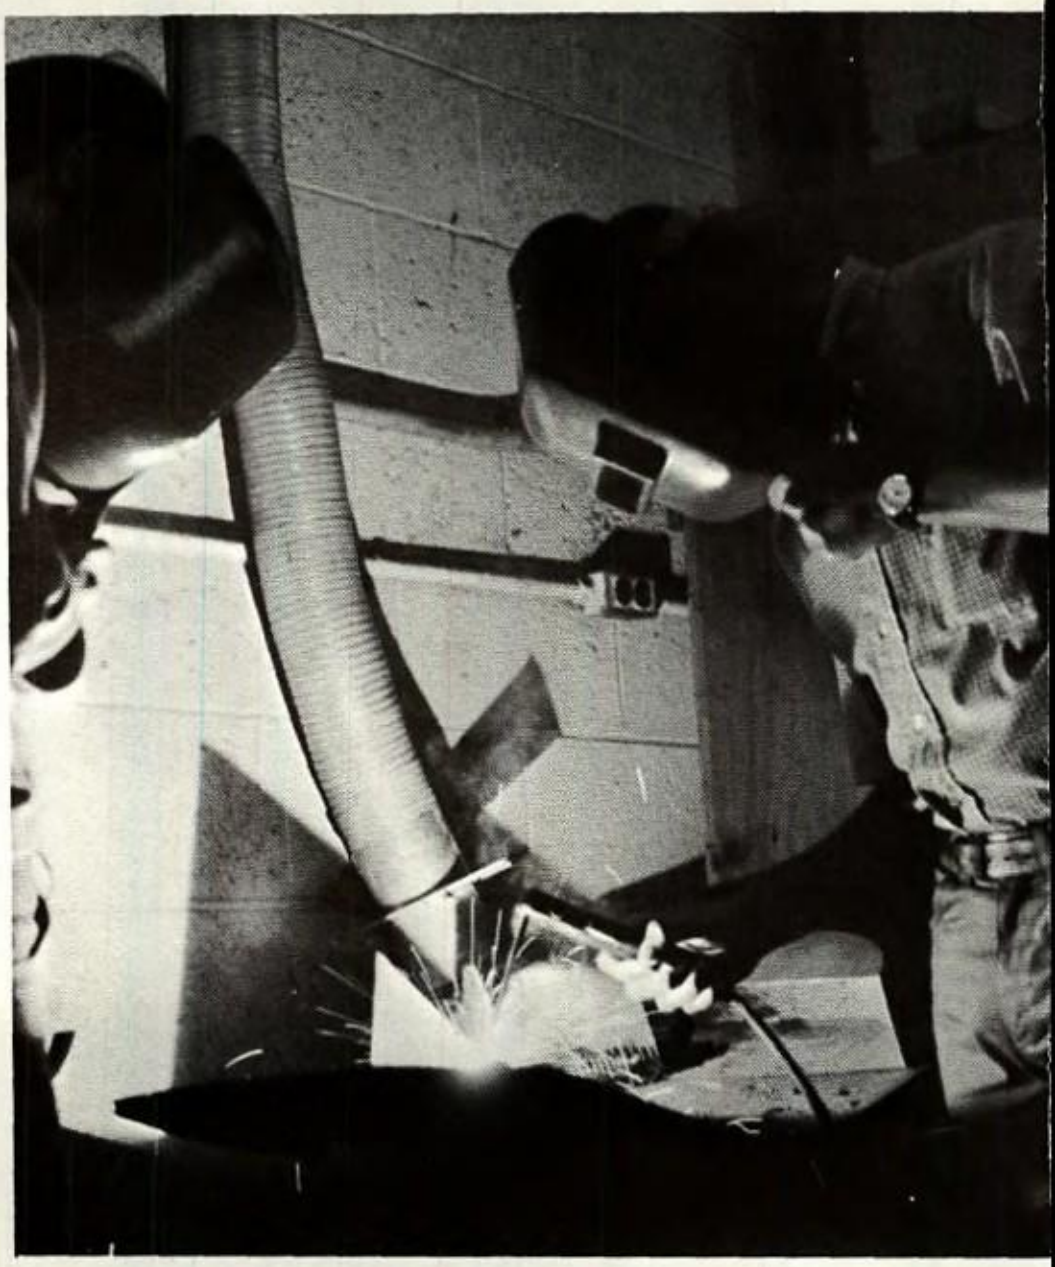
FFA Strives To Improve Agriculture

The Future Farmers of America is a national organization in public schools and is part of the vocational agriculture program. As an intra-curricular activity, the purposes of the FFA are to develop leadership, character, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

The Gale-Ettrick chapter of FFA participates in several state and national activities, one of which is judging contests. Each year FFA members take part in these contests which are held at the Wisconsin State Universities at Madison and River Falls and at the Northwest Livestock Exposition at Eau Claire. They include judging of crops and livestock and other items related to agriculture. The State Fair at West Allis, the Trempealeau County Fair at Galesville, and the Northwest Livestock Exposition at Eau Claire are also entered by many FFA members. Delegates from the Gale-Ettrick FFA are sent to the State FFA Convention at Green Lake, the District Leadership meeting, and the Speech and Creed Contests. Other FFA activities include the maintenance of the school forest, basketball and softball tournaments, a radio program during FFA week, senior fishing trip and the presentation of awards to individual members.

The FFA is a non-profit organization self-supported largely through the annual sale of magazines.

The FFA officers for 70-71 are Gary Molid, president; Jim Johnson, vice president; Mark Delaney, sentinel; Steve Bryhn, treasurer; Johnny Seago, secretary; Gene Hansen, reporter.



Now that's what I call putting things together!

The Wisconsin Junior Dairymen's Association is also supported by the Gale-Ettrick FFA. The aim of WJDA is to encourage herd analysis and the keeping of good herd records. The organization also has speech and demonstration contests in which members can participate, and schools and individual members may apply for various awards throughout the year. As part of WJDA, Gale-Ettrick is represented at the Sectional Meeting and at the State Convention and Dairy Show where livestock is exhibited.

Third place winners in the Homecoming Parade.

Chorus Swings With Sound

December 15 marked the first of three concerts by the Gale-Ettrick Mixed Chorus and Girls' Glee Club. Traditional Christmas carols were sung along with songs by Benjamin Britten. In the spring, two more concerts were given, one of them being a pop concert, featuring selections written by Simon and Garfunkel.

The 1971 District music contest was held at Gale-Ettrick. Seven schools participated with those receiving A-ratings continuing on to State competition.

In the summer of 1970, Sonja Twesme and Kathy Butman attended the Stevens Point Music Camp. Here they received individual and group training in techniques and approaches to singing.

The Chorus Department provides its members with valuable experience in group work, as well as giving them satisfaction in participating as a soloist. Through Chorus, many Gale-Ettrick students gain knowledge of music and have fun as well.

Climbing Musical Ladders

The versatile Gale-Ettrick High School band plays music ranging from well-known tunes to old time favorites and from rock to pop. Seventy-two members with volume and pitch, combine to make a great sound.

At Christmas time the band presented a concert of traditional Christmas songs, ending with a narrated version of "Twas the Night Before Christmas." They presented a spring pops concert and took part in an exchange concert with the Arcadia High School band.

In the fall of 1970, the Gale-Ettrick band was invited to march in the La-Crosse State Homecoming Parade, and in the spring of '71, Gale-Ettrick was host to the district festival. Those receiving "A" ratings participated in the state festival.

No more do band students have to crane their necks to see their director. New band risers were purchased this past year, making it possible for even the shortest people to sit in the back row.

Officers for the 1970-71 year were Jan Kaste, president; Connie Hoff, vice-president; Julie Truax, secretary; and Maria Alvarez, treasurer.

Girls' Gymnastics Team Organized

Gymnastics
The newly formed WIAA Girls' Gymnastics Team competed in meets held at De Soto and West Salem, as well as the Sectional Meet. Eau Claire Memorial High School hosted the State Meet.

The Gale-Ettrick Gymnastics Team also participated in a low intermediate workshop at LaCrosse and a beginners workshop at West Salem.

With freshmen girls in beginning gymnastics competition, Gale-Ettrick can look forward to a promising future team, as well as a strong 1970-71 team.

Corcoran.

French Club is designed to enable the students in French I, II, and III to meet together and socialize. A number of activities are planned for each meeting. Several language games are played and students listen to albums recorded by popular French artists, such as Francoise Hardy.

Correspondence with French pen pals is encouraged. Many letters are shared with the group and those most recently received are posted on the bulletin board along with snapshots. The foreign correspondent's city or town is indicated on a map.

Lunch consists of typical French foods, bûche de Noël (Christmas yule log), petits fours (Small cakes), and éclairs all chocolat, and a boisson (coke, pepsi, etc.) have been served this year.

Planned activities for the year include participation in the annual National French Contest, the Poetry Contest sponsored by the Association of Teachers of French in Wisconsin, and a trip to WSU--Eau Claire to attend the Grand Gala Dîner, un bon diner--each dish having been prepared using authentic French recipes. The 1970 speaker for the dinner was the cultural attaché of Chicago, who presented an interesting talk recalling the visit of General De Gaulle to his city.

To keep a library running smoothly and efficiently, requires time, patience and ability. The Gale-Ettrick Library Club members possess all of these traits, and it is through their efforts that the high school library is kept so well organized. It makes no difference whether one is seeking articles on Ralph Nader, shetland ponies, or automobile motors, thirty-five eager and interested members always seem to be on hand to help.

Besides helping with library duties, the student librarians purchased famous art reprints for the library, operated a paperback book store and organized a coat check for home basketball games.

Serving as the 1970-71 officers were Rita Docken, president; Kim Cantlon, vice president; Debbie Swenson, secretary; and Linda Enghagen, treasurer.

To learn more about library duties and the proper techniques for special servicies, various workshops were attended throughout the year. During the summer of 1970, Linda Enghagen attended the Student Librarian Workshop at the University of Wisconsin in Madison. A Student Librarians of Western Wisconsin Convention was held at Bangor in September, with twelve Gale-Ettrick students attending.

Hats off to our fine Library Club.

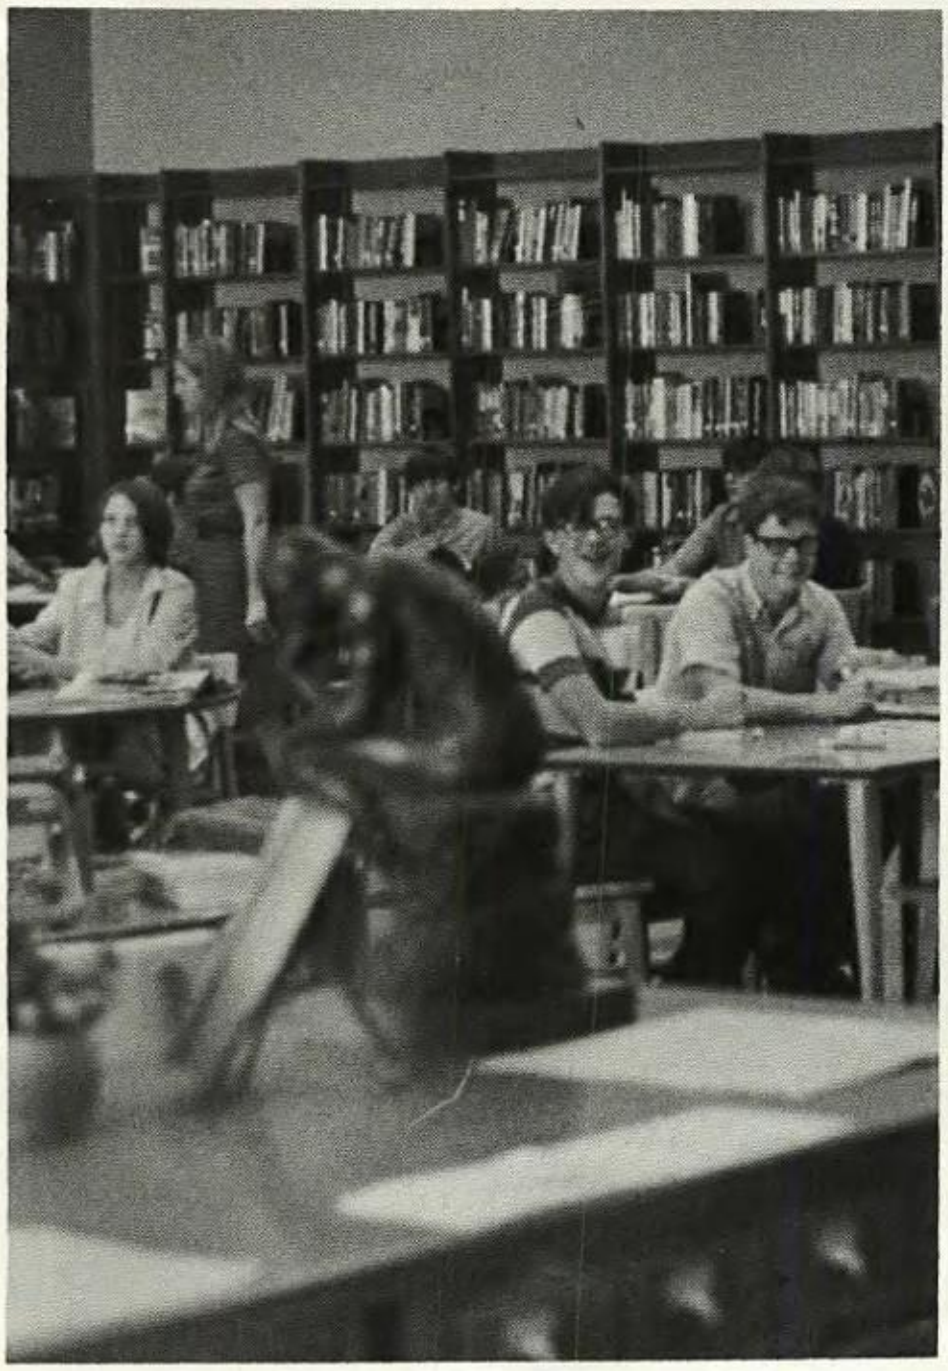
Concepts Through Reading



Bridge Over Troubled Water

Homecoming was officially opened at the bonfire and pep fest on Thursday evening, October 1, with Mike Baer and Maria Alvarez beginning their reign as King and Queen. Named to their court were: Mark Alvarez and Connie Hoff, Paul Sacia and Lanie Myrland, Orie Elstad and Sue Baer, Tim Twesme and Julie Truax, and Bob Oines and Karen Olson.

Cleverly designed and constructed floats, marching pom pon girls and a briskly playing band marked the parade on Friday afternoon. "A Time For Victory" by the Seniors, "Give'em A Bum Steer" by the Freshmen, and "Take Salem Out Of The Country by the Future Farmers of America claimed the first three places.

That night with a 31-6 victory over the West Salem Panthers brightening their sky, couples danced to the music of Nassau. "Bridge Over Troubled Water" was the theme making Homecoming 1970 a very warm and happy occasion to be remembered.

Queen Maria — King Mike

HOMECOMING COURT

Tim Twesme; King, Mike Baer; Queen, Maria Alvarez; Lanie Myrland, Sue Baer, Julie Truax, Karen Olson, Connie Hoff, Orie Elstad, Paul Sacia, Bob Oines, Mark Alvarez.

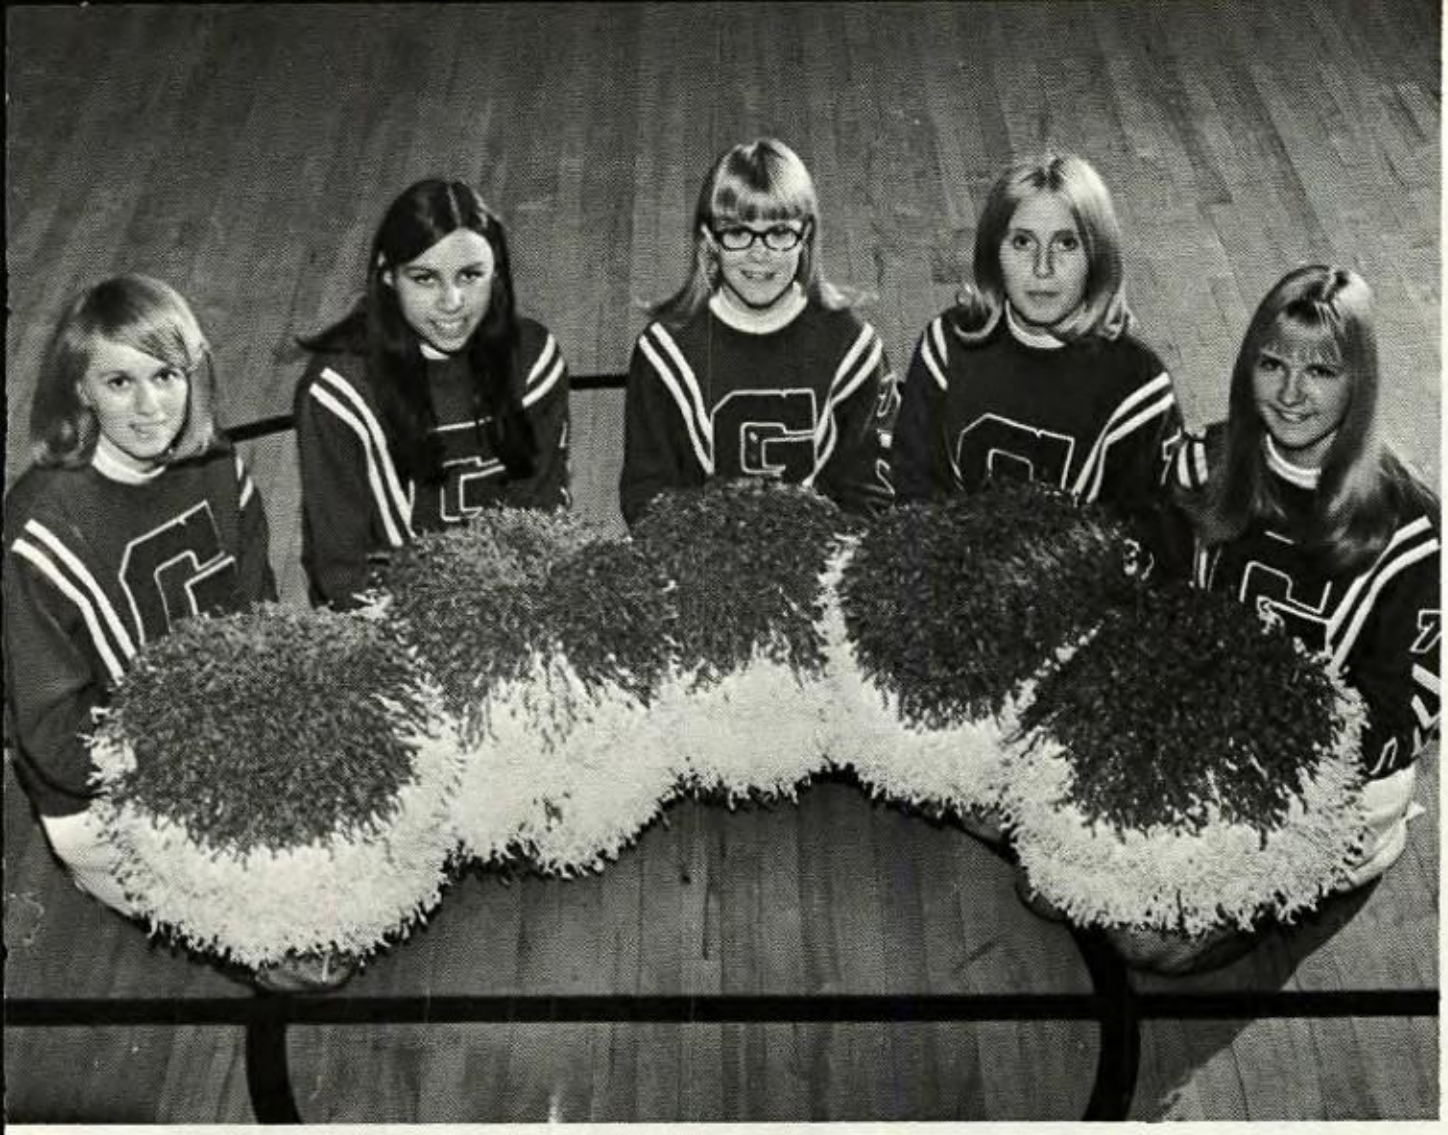
ROW 1: S. Twesme, P. Nichols, P. Rogers, D. Bishop, L. Daffinson, K. Twesme, S. Douglas, D. Vosseteig, M. Alvarez, J. Trim, R. Berg, C. Hoff. ROW 2: J. McKeeth, S. Cook, D. Stith, M. Meunier, C. Emerson, C. Grover, L. Parkhurst, D. Bowman, K. Collins, K. Corcoran, M. Baye, C. Anderson, S. Halderson, K. Cantlon, R. Docken, Mrs. K. Twesme, Mrs. M. Runnestrand.

The Happening Happens

In the fall of 1970, the Drama Club presented, "Along Came Harriet", a one-act play and "Without Strings", a humorous skit. Performing in these were: Rita Docken, Jan Kaste, Katy Twesme, Laurie Sacia, Marilyn Meunier, Debbie Stith and Debbie Vosseteig. Behind the scenes, the rest of the club members created scenery, prepared costumes, applied make-up and sold tickets.

The Drama Club has one major purpose in mind when it presents plays and other entertainment. That purpose is to promote drama and further its appreciation. Each year the club plans activities and programs to further that purpose.

LEFT: "It's Curtains for the Cats" at the Homecoming football game against West Salem.



Redmen Rally Round

"U, rah! rah! rah! Marinuka Redmen!" The cheers break out as the Gale-Ettrick cheerleaders take to the field or the floor. Their smiles warm even the coldest football fan, and their energy spreads to everyone.

Cheerleading adds spirit of youth and togetherness to a school and Gale-Ettrick cheerleaders radiate this spirit in all their activities.

RIGHT: Baye made a mistake?

At each home football game, the Gale-Ettrick Pom Pon squad, with bright smiles and precise steps, performed under the lights and in cool temperatures. The sight of their red and white uniforms raised the chilled spirits of the spectators and made the cold weather less noticeable.

Home basketball games brought inside the Pom Pon girls and their routines of kicks and dance steps to popular music.

In the fall of '70 the squad attended a clinic at LaCrosse to learn new routines.

The officers for the 1970-71 squad were Rita Docken, captain; Lynita Docken, co-captain; and Shauna Dettinger, secretary-treasurer.

SENIORS

Seniors Up And Onward

Reflecting back on their high school days, the Class of '71 will have many memories. There were basketball games, wrestling matches, proms, mixers, organizational meetings and exams. There were sad moments and happy moments, embarrassing moments and proud moments. There were times when it seemed nothing would ever be right again, and then just a smile from a fellow student would change everything.

Even though the Senior Class is looking forward to graduation, a job, vocational school, or college, their high school years will always be something special--to be remembered with smiles and tears and always with a bit of longing.

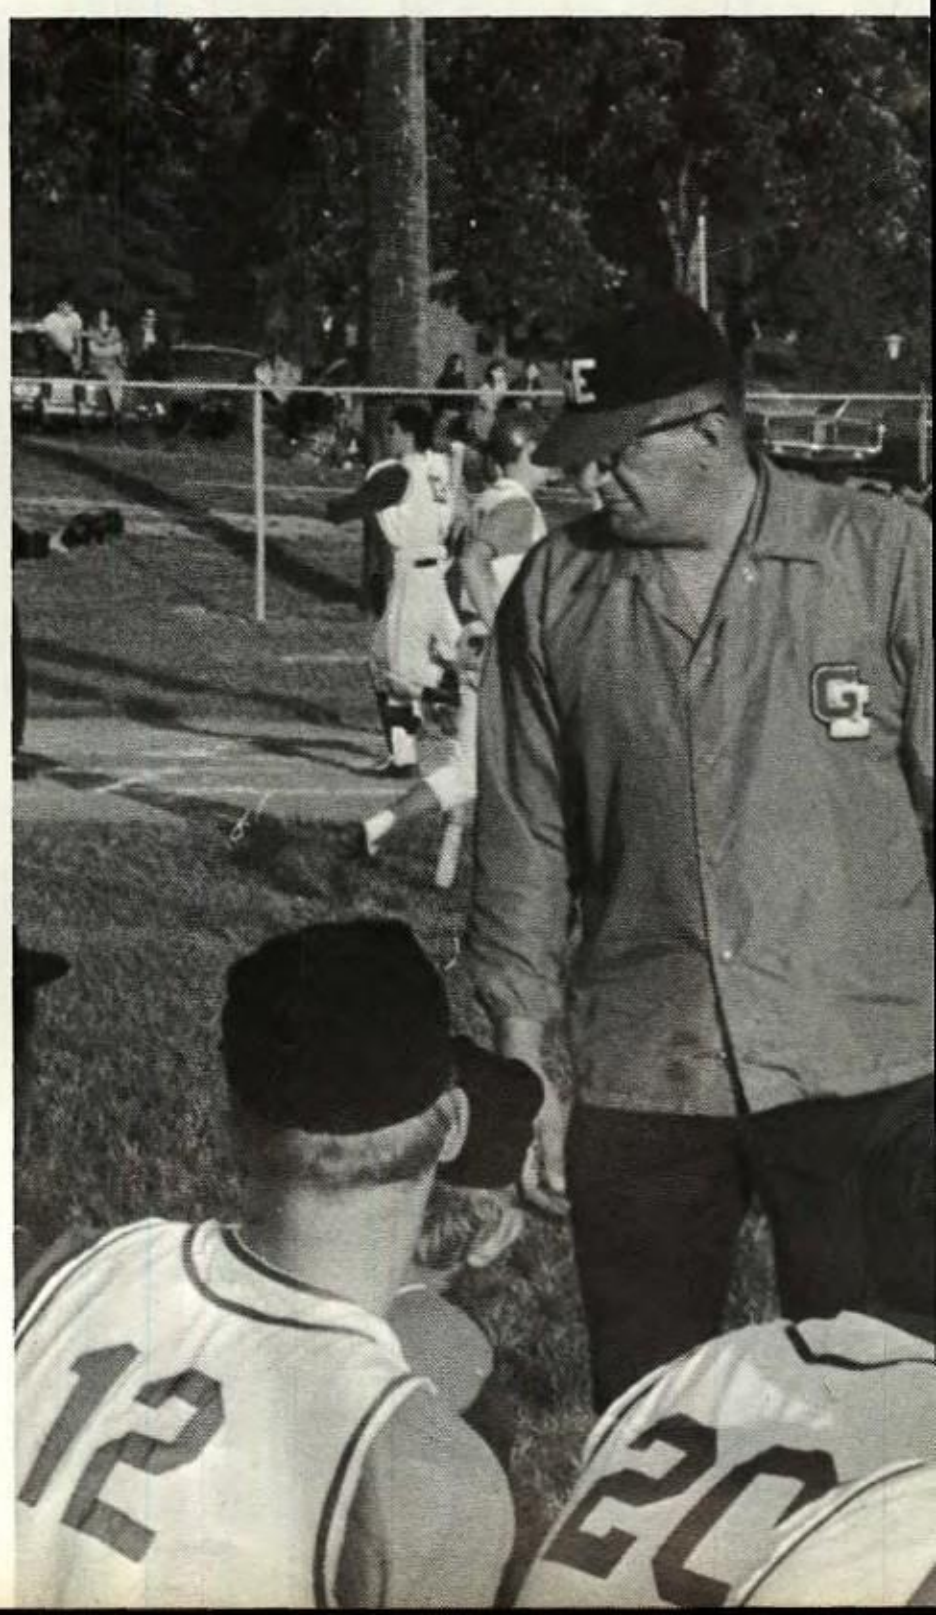
Underclassmen Show Promise

The 1970 Gale-Ettrick baseball team showed determination and perserverence despite a record of more losses than wins. The 1970 season also marked the end of a twelve-year coaching career for Mr. Norman Valiska. He has seen many games in which, though they did not win in runs, the Redmen showed great athletic ability and team work.

Redmen Bruce Stuhr and Mike Baer chosen for their hitting and fielding ability were elected to the 1970 All-Coulee Conference Baseball Team.

The prospects of the 1971 baseball season are good. Although six lettermen graduated, the underclassmen show some promising ability and enthusiasm which should go toward the making of a strong team.



RIGHT: Well-uh-um-uh.

The Swing Is The Thing

The final 1970 Coulee Conference standings found the Gale-Ettrick Golf team in second place. They had a good season, finishing first in the regional tournament held at the Galesville Golf Club and placing third in the sectional tournament at Viroqua.

With four lettermen returning, Coach Fitzpatrick is looking forward to a successful 1971 season, with strong possibilities of a number one Coulee Conference placing.

Trackmen Are Regional Champs

With the power of strong athletes and the willingness to win, Gale-Ettrick took the regional track championship in 1970. They placed second in the Coulee Conference and placed three Redmen in the State Meet. They were: Bob Oines in the 880, Mike Baer in the 100 and the long jump, and Mike Daffinson in the 440.

Outstanding rack team members who helped carry Gale-Ettrick to the winners circle in 1970 were: Dave Grieve in pole vaulting, Mike Daffinson in the 440, Bob Oines in the 880 and pole vaulting and Mike Baer in the low hurdles, long jump and the 100.

With two 1970 state meet entries returning to the track team, 1971 promises to be a successful and exciting year.

Hustling Toward Success

Mike Baer, Dick Longwell and Paul Sacia were the only returning lettermen on the 1970-71 Redmen basketball squad. Other players seeing a lot of action were John Byom, Orie Elstad, Wayne Meunier, Mike Stellflue and Bruce Stuhr. The Redmen boasted a very balanced attack, with seven players scoring in double figures during the season.

With experienced varsity players still remaining and up-and-coming "B" team players, the Gale-Ettrick Redmen can look forward to another year of strong basketball competition.

Redmen Repeat As No. 1

The 1970 Redmen football team faced a big challenge. From the opening day of practice, the question was, can we repeat as Coulee Conference Champions and retain our number one rating amoung Wisconsin's small high schools? The challenge was met head on by a determined group of young men, and at the end of the season the Redmen had extended their winning streak to 25 games, were Coulee Conference Champions and were again number one in the Little Ten.

The Redmen featured a balanced offensive attack with Orie Elstad, Mike Baer, and Bob Oines sharing the ball carrying duties. Paul Sacia led a potent passing game, throwing to such capable receivers as Orie Elstad, Mike Baer, Bob Oines, Tim Twesme and John Byom. The outstanding offensive play of the 1970 Redmen was made possible by a very dedicated, constantly improving group of linemen. Bruce Stuhr, Bob Truax, Mark Alvarez, Terry Patten, and Reed Niederkorn developed from an inexperienced group of individuals into an explosive, well-polished unit that played football in the Redmen tradition.

Defensively the Redmen showed the same improvement. As the season progressed, the opposition found the Redman goal line tougher and tougher to cross. Depth was the outstanding feature of the defensive line. Steve Scheller, Tim Twesme, Terry Patten, Steve Williamson, Ed Kopp, Tim Perviskey, Dan Skaar, Tony Jensen and Paul Halderson all saw a lot of action, Mark Alvarez, Greg Biesen and Don Teska provided the team with some excellent linebacking. Mike Baer, Les Mickelson, Orie Elstad and Bob Oines provided the Redmen with an outstanding pass defense.

Bob Oines, Paul Sacia, Mike Baer, Tim Twesme, Mark Alvarez, Ed Kopp and Steve Scheller were elected to the All Conference Team. For the second time Mike Baer made the All State Team as a defensive player. Bob Oines and Paul Sacia received honorable mention on the All State Team.

Although many of the team members received individual honors, it should be remembered that it takes team work to make these honors possible. It is through this team work that the Redmen remained on top during the 1970 season and hope to retain this position in 1971.

BELOW: Hey Man---Move fast!

In 1970 the Junior Varsity enjoyed one of its most successful seasons being undefeated in conference play. The only loss of the season came in their last game when they played a strong Cotter "B" team from Winona.

This year the unusually heavy line was especially effective, both on defense and offense.

Prospects for the 1971 season are promising, for with this strong Junior Varsity, Gale-Ettrick can look forward to another season of Varsity victories.

The Gale-Ettrick Curling team belongs to the Mid-Wisconsin Conference, Western Division. They play four conference and two non-conference games each season.

Twenty-one boys are involved in curling, so there is no lack of team members. The The 1970-71 Varsity team consisted of Dan Skaar, skip; James Bierne, third rock; Steve Williamson, second rock; and Tim Twesme, first rock. The Junior Varsity team members were Dave Brown, Mark Delaney, John Emmons and Ron Severson.

With the cold area winters, curling is fast becoming a popular Redmen sport, and the Gale-Ettrick Curling team is starting to make a name for themselves in the Western Division.

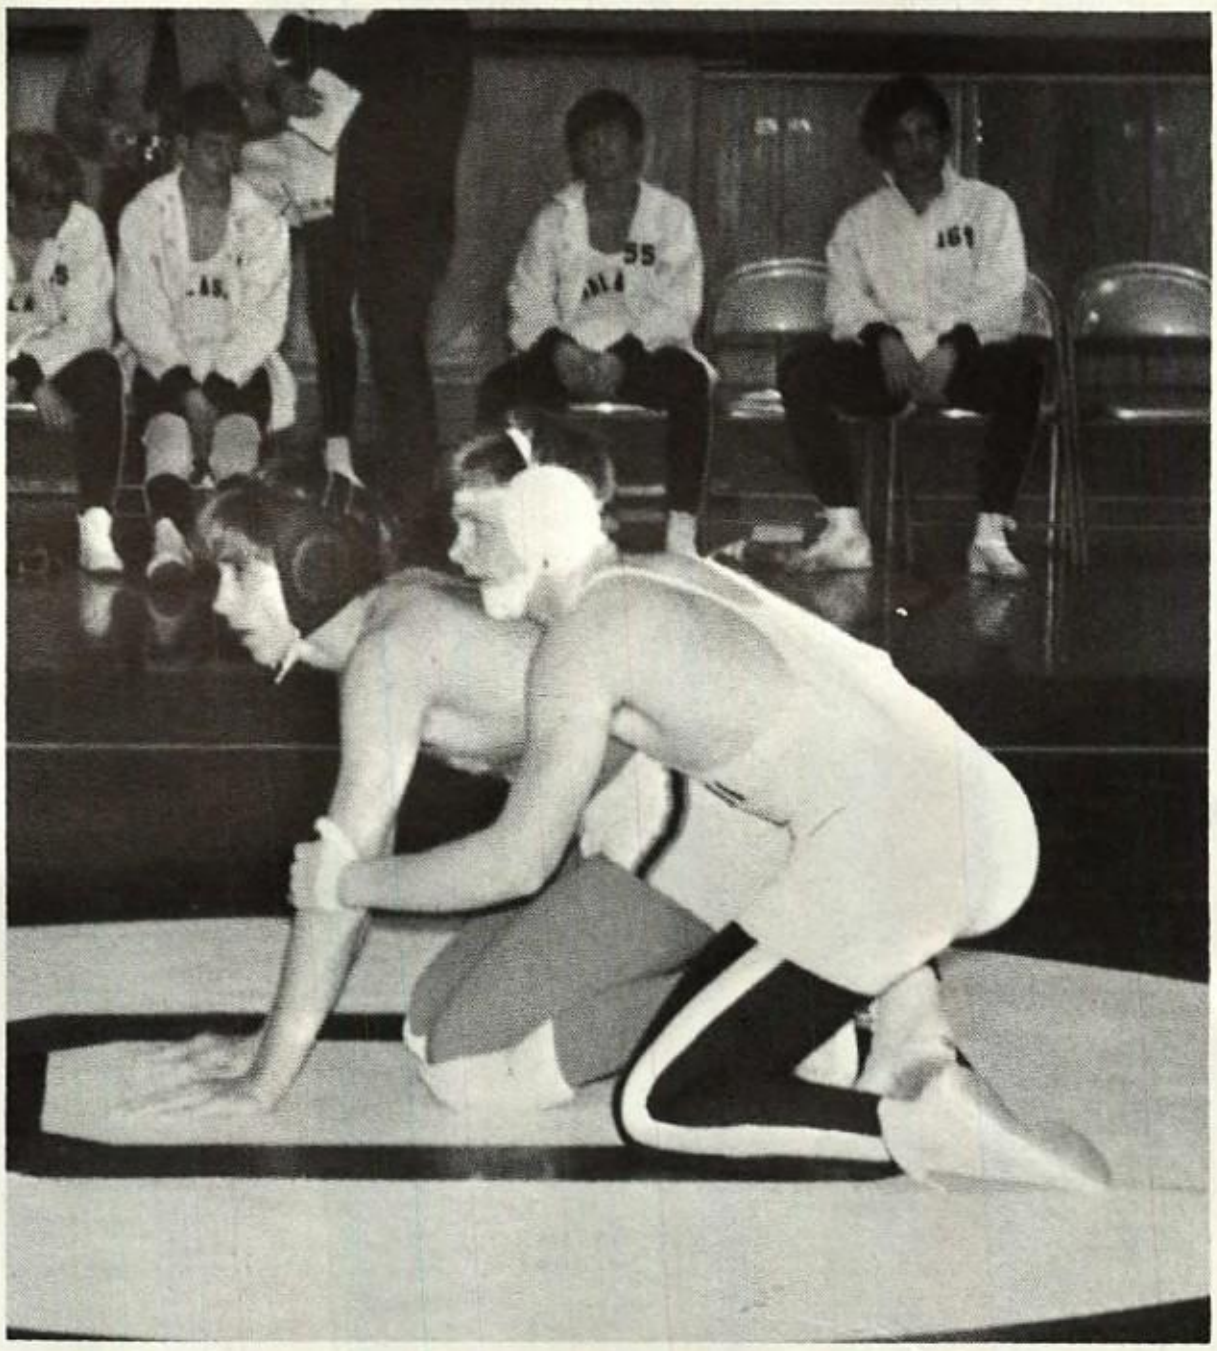
Young Wrestlers Gain Experience



ABOVE: Warm up on Tex
RIGHT: Watch the birdie

Faced with using young and somewhat inexperienced athletes, the Gale-Ettrick wrestling team ended their season in the debit column with more losses than wins. Although they did have individual wins, their team score was less than that of their opponents.

Even though the 1970-71 season was anything but bright, Coach Cecil has one thing to say about the '71-'72 season, "Watch Out!" The young wrestlers will have another year of experience and maturity under their belts. Add this to their desire to win and the Redmen Wrestlers will be on top in '72.

Where did all the lettermen go? Color them RED!

Victory Pays Off

To become a Letterman, each athlete must earn his letter by competing in a sport for a certain period of time. When he has fulfilled this requirement he is eligible to wear the Gale-Ettrick "G".

The 1970-71 Lettermen's Club had 35 members under the leadership of Mike Baer, president, Tim Twesme, vice-president, and Bob Oines, secretary-treasurer.

The club sponsored a pop sale during home basketball games and ushered at athletic events throughout the year.

The Gale-Ettrick Lettermen have a pride in their school that is demonstrated in their desire to win--a pride reflected by the "G" they are entitled to wear.

COACHES: V. Cecil, L. Gautsch, J. Carroll.

UNDERCLASSMEN

Juniors

The members of the class of 1972 have one more year left of their high school careers. Then comes vocational training, a job, or college. But in the meantime, they will be occupied with proms, mixers, games and studies.

It is with anticipation and some apprehension that the class of '72 looks to its junior year. Financial worries are predominant and ways to make money for their prom and class are uppermost in their minds. With their spirit and their determination, the juniors are sure to succeed. Class officers, as shown at left are A. Paulson, M. Anderson, M. Stellflue, J. Byom.

Sophomores

Leaving behind those green, green freshmen years, the class of 1973 has moved into third place at Gale-Ettrick. With this higher rating come new responsibilities and new experiences. Many of the members of the class have become key players or managers on athletic teams or officers and leaders in classes and organizations.

The future Gale-Ettrick upperclassmen have the urge, the ability, and the know-how to succeed in high school and in later life. With these characteristics, they are sure to become valuable assets to their school and their community. Class officers shown at right are B. Bahnub, secretary; C. Emerson, treasurer; M. Severson, president; K. Casey, vice president.

Freshmen

Each year a senior class graduates and a freshmen class enters high school but the spirit and ideas of the former are not lost. Instead, new strength is brought in with each ninth grade. The class of 1974 is no exception.

Bright-eyed with dreams, the freshmen class entered Gale-Ettrick in the fall of 1970. The schedules and classes may have been similar to those of junior high school, but the atmosphere was entirely different. From the top rung of the grade school ladder, the ninth graders dropped to its place of the lowly high school freshmen.

No matter how many tears were shed or how many embarrassments were experienced, the class of '74 came through with smiling faces and a sense of humor. They took second place with their Homecoming float, "Give'Em A Bum Steer."

To the members of this class will come success and future rewards, for they have what it take--determination and a bright outlook on life. Officers as shown at right are M. Johnson, vice president; R. Aasland, president; S. Ofsdahl, treasurer; V. Henderson, secretary.

ADMINISTRATION & FACULTY

Striving To Improve Education

ADMINISTRATION AND FACULTY COPY

"To improve education" is the primary goal and main interest of the Gale-Ettrick Administration and faculty. New techniques in high school scheduling and study programs are constantly being reviewed by board members and teachers, as well as by the superintendent and principal. More individualized study has been incorporated into classes, and studies have been made of tri-semester and modular scheduling.

The vocational coordination system has been enlarged. When fully expanded, it will enable a student while in high school classes to learn a skill in retail sales and distribution, machines and building trades. More extensive office practice would be offered to interested students. Some of these courses would be taught at schools other than Gale-Ettrick so students who wish to take classes may travel to another area school for their studies.

During the 1970-71 school year, the biology department was provided with lab equipment, making it possible to conduct a variety of tests, experiments and laboratory work.

The teachers and administrators have a deep interest in Gale-Ettrick students, and they devote their energies and time to giving all students a better and more useful education.
